IMPORTANT INFORMATION YOU SHOULD CONSIDER ABOUT THE CERTIFICATE

FEES AND EXPENSES

Charges For Early Withdrawals

We do not deduct a surrender charge for early withdrawals. For more information on withdrawals, please refer to the **Withdrawals** subsection of the prospectus.

Transaction Charges

You may be charged for transactions. Such charges include sales charges on premiums paid under the Certificate, administrative charges (to cover local, state and federal taxes), transfer fees, and withdrawal fees. For more information on transaction charges, please refer to the **FEE TABLE** and **CHARGES AND EXPENSES** sections of the prospectus.

Ongoing Fees And Expenses

In addition to transaction charges, an investment in the Certificate is subject to certain ongoing fees and expenses, including such fees and expenses as those covering the cost of insurance under the Certificate and the cost of optional benefits available under the Certificate. Such fees and expenses are set based on either a fixed rate or the characteristics of the insured (*e.g.*, age, gender, and rating classification). Investors should view the data pages of their Certificate for applicable rates.

Participants will also bear expenses associated with the Funds under the Certificate, as shown in the following table:

Annual Fee	Minimum	Maximum

For more information on ongoing fees and expenses, please refer to the **FEE TABLE** and **CHARGES AND EXPENSES** sections of the prospectus, as well as **APPENDIX A**, which is part of the prospectus.

RISKS

Risk Of Loss	You can lose money by investing in the Certificate. For more information please refer to the **SUMMARY OF PRINCIPAL RISKS OF INVESTING IN THE CERTIFICATE** section of the prospectus.
Not a Short-Term Investment	The Certificate is not a short-term investment and is not appropriate for an investor who needs ready access to cash. The Certificate is designed to provide benefits on a long-term basis. Consequently, you should not use the Certificate as a short-term investment or savings vehicle. Because of the long-term nature of the Certificate, you should consider whether purchasing the Certificate is consistent with the purpose for which it is being considered. For more information please refer to the **SUMMARY OF PRINCIPAL RISKS OF INVESTING IN THE CERTIFICATE** section of the prospectus.
Risks Associated With Investment Options	An investment in the Certificate is subject to the risk of poor investment performance and can vary depending on the performance of the Funds available under the Certificate, each of which has its own unique risks. You should review the Funds' prospectuses before making an investment decision. Fund prospectuses are available at www.prudential.com/GVUL-funds or by calling 877-808-6110. For more information on the Funds, please refer to the **SUMMARY OF PRINCIPAL RISKS OF INVESTING IN THE CERTIFICATE** section and the **The Funds** subsection of the prospectus.
Insurance Company Risks	An investment in the Certificate is subject to the risks related to Prudential. Any obligations (including under the Fixed Rate Account), guarantees, or benefits are subject to the claims-paying ability of Prudential. More information about Prudential, including its financial strength ratings, is available upon request and at www.investor.prudential.com/ratings. For more information please refer to the **GENERAL DESCRIPTIONS OF THE PRUDENTIAL INSURANCE COMPANY, THE REGISTRANT, AND THE FUNDS** section of the prospectus.
Contract Lapse	In general, your Certificate will remain in force as long as the balance in your Certificate Fund (less any Certificate Debt and outstanding charges) is enough to pay the monthly charges when due. If the Certificate Fund balance is not enough, Prudential will send you a notice to tell you that your insurance is going to end, how much you must pay to stop it from ending, and when you must pay. This payment must be received by the end of the grace period, or the Certificate will no longer have any value. You may request reinstatement of a lapsed Certificate any time within three years after the end of the grace period upon the completion of certain conditions, including a premium payment that is at least enough, after deduction of any charges that apply, to pay the monthly charges going forward for two months. For more information please refer to the **LAPSE AND REINSTATEMENT** section of the prospectus.

RESTRICTIONS

Investments	You may, up to 20 times each Certificate Year, transfer amounts among investment options. We will accept subsequent transfer requests only if they are in a manner acceptable to us. Generally, you may make only one transfer from the Fixed Account to each of the available Funds per Certificate Year. The transfer cannot be for more than $5,000 or 25% of the amount you have invested in the Fixed Account, whichever is greater. Transfers may generally be made by telephone or electronically. We reserve the right to remove or substitute Funds as investment options. For more information on investment and transfer restrictions, please refer to the **Transfers And Restrictions On Transfers** subsection of the prospectus.
Optional Benefits	You may be able to obtain extra benefits, which may require additional charges. These optional insurance benefits are described as "additional insurance benefits" to the Certificate. Additional insurance benefits are generally only available at Certificate issuance, unless noted otherwise. There are limitations of benefits on certain riders for claims due to war or service in the armed forces. We will not pay a benefit on any Accidental Death Benefit type benefit or rider if the death or injury is caused or contributed to by war or act of war, declared or undeclared, including resistance to armed aggression. This restriction includes service in the armed forces of any country at war. Some benefits may depend on the performance of the Certificate Fund. Additional insurance benefits will no longer be available if the Certificate lapses. Some benefits are not available in conjunction with other benefits and other restrictions may apply. Some benefits described in this prospectus may be subject to state variations or may not be available in all states. Please refer to **APPENDIX B**, which is part of the prospectus, for state availability and a description of all material variations to benefits and features that differ from the description contained in the prospectus. For more information on optional benefits under the Contract, please refer to the **OTHER BENEFITS AVAILABLE UNDER THE CONTRACT** section of the prospectus.

TAXES

Tax Implications	You should consult with a tax professional to determine the tax implications of an investment in and payments received from your Certificate under the Group Contract. Withdrawals that exceed basis will be subject to ordinary income tax, and may be subject to additional tax or penalties. For more information on tax implications relating to Certificate investments, please refer to the **TAXES** section of the prospectus.

CONFLICTS OF INTEREST	
Investment Professional Compensation	Investment professionals receive compensation for selling the Group Contract and may have a financial incentive to offer or recommend the Contract over another investment. Compensation (commissions, overrides, and any expense reimbursement allowance) is paid to broker-dealers that are registered under the Securities Exchange Act of 1934 and/or entities that are exempt from such registration ("firms"). The individual representative will receive all or a portion of the compensation, depending on the practice of the firm. For more information on investment professional compensation, please refer to the **DISTRIBUTION AND COMPENSATION** section and the **Commissions Paid To Broker-Dealers** subsection of the prospectus.
Exchanges	Some investment professionals may have a financial incentive to offer you a policy in place of the one you already own. You should only exchange your policy if you determine after comparing the features, fees, and risks of both policies, that it is preferable to purchase the policy, rather than continue to own your existing policy. For more information on exchanges, please refer to the paragraph titled **Replacing Your Life Insurance** in the **SUMMARY OF PRINCIPAL RISKS OF INVESTING IN THE CERTIFICATE** section of the prospectus.

APPENDIX A: Funds Available Under the Contract

The following is a list of Funds available under the Contract. More information about the Funds is available in the prospectuses for the Funds, which may be amended from time to time and can be found online at www.prudential.com/GVUL-funds. You can also request this information at no cost by calling 877-808-6110. Fund prospectuses and other information are also available from a financial intermediary (such as an insurance sales agent or broker-dealer) through which the Contract may be purchased or sold.

The current expense and performance information below reflects fees and expenses of the Funds, but do not reflect the other fees and expenses that your Contract may charge.
